# MODEL HWC-243A – HIGH WHEEL CULTIVATOR

The High Wheel Cultivator arrives partially assembled. See the Parts Kit List on Page 3 for assembly items.

## ASSEMBLY

1. Only an Adjustable Wrench and a Pair of Pliers are required to complete assembly of your new High Wheel Cultivator. Lay out all parts from the Parts Kit, have tools handy, and follow these few instructions. Leave all Bolts and Nuts loose until assembly is complete.
2. Insert long Bushing (2) into Wheel (1) and attach Side Braces (4) to Wheel with Bolt (3), two Flat Washers (6), and Lock Nut (5). See Fig. 1 for correct position of Braces. The back-formed sections assemble toward each other.
3. Now, assemble Side Handles (8) to Side Braces (4) with Bolts (7) and Lock Nuts (5).
4. Put together Yoke Assembly (Provided) and Side Handles (8) with Bolts (27) and Lock Nuts (5). Initially use center hole, adjustments can be made later. See Fig. 1. NOTE: Lower curved section of Yokes should curve toward the Wheel.
5. Secure Side Braces (4) to Yoke, assemble with Bolt (15) and Lock Nut (5). Initially use center hole, adjustments can be made later.
6. Insert Steering Handle (12) into recessed Side Handles (8) and fasten with two Bolts (15), and two Wing Nuts (25).

7. Tighten all Bolts and Nuts.
8. Slip Hand-Grips (13) over ends of Steering Handles (12).

# ATTACHMENTS

## 5 PRONG WEEDER/CULTIVATOR ASSEMBLY (Fig. 1, 3 and 4)

The fan-like prongs are used for removing weeds and loosening tilled soils. To attach Prong Weeder Assembly (14) to Yoke (10); Place near bottom of Yoke and extend Carriage Bolt (22) through Weeder Assembly (14) and slot in Yoke from the back of the Cultivator. Secure Weeder Assembly (14) to Yoke (10) with Clamp (21) and Lock Nut (20).

Figure 4

Figure 3

## SHOVEL (Fig. 2, 5 and 6)

The Shovel has a reversible feature to provide a choice of two (2" or 3") furrowing widths. It is used for furrowing prior to seeding and in some cases to cover furrowed rows after seeding. To install, attach Shovel (23) with Carriage Bolt (22) to the front of Yoke (10), and complete with Clamp (21), and Lock Nut (20) on the back of Yoke (10) allowing 3 inches extension below bottom of Yoke.

Figure 5

Figure 6

## PLOW (Fig. 2, 7 and 8)

The Plow is used for moving loose soil over seeded rows and to build hills over and around growing plants. To attach, place Plow (24) on the front of the Yoke (10), and secure with Carriage Bolt (22), Clamp (21), and Lock Nut (20). The Plow should always be mounted at the highest position on the Slotted Foot with no more than 3" extending below the Yoke.

Figure 7

Figure 8

After each usage remove all dirt from the Cultivator and apply a light coat of oil to all bare metal parts.

## INSTRUCTIONS FOR ORDERING PARTS

(Minimum Parts Order Charge \$20.00)

1. Address all parts orders or correspondence regarding customer service to one of the following:  
Parts Dept. Phone: (937) 337-3641  
Mid West Products, Inc.  
P.O. Box 301 E-mail: [Parts@Mid-West-Products-Inc.com](mailto:Parts@Mid-West-Products-Inc.com)  
Phillipsburg, OH 45354 Website: [www.Mid-West-Products-Inc.com](http://www.Mid-West-Products-Inc.com)
2. Write your name and address plainly (print or type).
3. Explain where and how to ship.
4. Give model number of unit.
5. Give part number from parts list, as well as a description, including color, of the part and the quantity you need.
6. Inspect all shipments you receive. If any parts are damaged or missing, file a claim with the carrier before accepting.
7. If you are returning parts, be sure to include WITH THE SHIPMENT a list of the parts with your name and address.
8. All orders for repair and replacement parts will be shipped when paid with Master Card, Visa, or personal check/money order. Prices subject to change without notice.

### **GUARANTEE**

The merchandise you have purchased from us has been carefully engineered and manufactured under Mid West Products rigid quality standards and should give you satisfactory, dependable operation. However, like all mechanical merchandise, it may occasionally require adjustment or maintenance. Should you need technical assistance, please contact MID WEST PRODUCTS.
